

3/16/20

Dear Parent/Grandparent/Guardian:

We are grateful for the opportunity to serve our students during this difficult time. Because we deeply care about the education of each student, we plan to continue our curriculum throughout the period that the schools are physically closed. In order for this to be successful, we will need your support. We are asking you to assist us in the continuation of your student's learning in the following ways: 1) Provide access to the internet and a computer. 2) Set aside a time period, (possibly a two to three hour period) where your student can be working on assignments. They will most likely NOT need access to a computer or internet for the entire time, as some of the assignments will be from their workbooks, etc. that they took home last Friday. 3) Encourage them to take these assignments seriously. None of us wants them to fall behind academically. 4) We will be available for email questions and conferences from 10:00 a.m. to 12:00 p.m. daily, Monday through Friday. This is the time where your student can email us and we will respond as quickly as possible. 5) Please have your student check our websites and their emails daily. 6) Please realize that this is a new experience for all of us. Our goal is to make this as smooth as possible. We realize that everyone is navigating a stressful time. Our goal is to provide some continuity and familiarity for our students. We look forward to serving you and supporting you.

Gratefully,

The Fifth Grade Team
